I hereby authorize Raq4less.com to initiate charges to the credit card listed below, and authorize the credit card institution to accept the amount of such charges to the credit card listed below.

I also understand that the Terms of Service and the Acceptable Use Policy as provided to me upon renting my dedicated server govern use of the server in all respects. I understand that the TOS and AUP are subject to change at anytime and I understand they become binding upon change. I agree to abide by said changes to the TOS & AUP as posted on <http://www.Raq4less.com>

I authorize Raq4Less.com to debit my credit card as a recurring charge for their services rendered at agreed published prices. Should I dispute a charge through my credit provider this will constitute a breach of contract. It will also result in IMMEDIATE deactivation of all services rendered by Raq4Less.com or any of its subsidiaries.

I understand once the dedicated server is assigned, there are absolutely no refunds allowed.

I have included a photocopy of BOTH the Front & Back of the credit card and I have signed the photocopy. Computer scanned version also accepted via email attach.
